Bronze Young Ambassadors Training 2019-2020

Dear Parent/Carer,

As part of our ongoing work with Inspire+, we are continuing to enable the roles of Bronze Young Ambassadors across the federated schools. The role of Bronze Young Ambassador includes demonstrating that they are a positive role model within the school and also a talented performer or a committed leader and volunteer.

The chosen Bronze Young Ambassadors will be asked to attend a training evening at **Western Hills on October 16th from 4-5:30pm**. Here they will be giving training and guidance to help increase participation in sport and leadership, and promote healthy active lifestyles amongst other young people through taking a lead role in the **'HealthyHappyActive'** challenges.

Should your child wish to be considered for this position then have them complete the form below stating why they think they would be good in the role and what they would contribute to the encouragement and participation in school. This needs to be returned to school by **Monday 30th September 2019**.

Yours sincerely,

Miss Hodson
(PE Subject Leader)

Bronze Young Ambassadors Training 2019-2020

Why do you want to be a Bronze Young Ambassador?

What would you provide as your role of being a Bronze Young Ambassador?

How would you help improve participation in sport and physical activity in your role as Bronze Young Ambassador?
