Executive Head Teacher- Mr Scott Pearson

Dear parents/carers,

### Junior Stem- Lego creator

We are very excited to announce that on **Thursday 17<sup>th</sup> October** the Year 1,2 and 3 children from Gedney Church End and Year 1 and 2 children from Lutton St. Nicholas will be participating in a hands on Lego experience session. During their session the children will be taught all about Lego robotics and have a super experience to build their own moving Lego object.

The children will not be leaving school premises as the Lego creator will be attending each site, Gedney during the morning and Lutton during the afternoon. Lunch will be the same as any other school day.

As a federation, we always subsidise trips to keep costs low. Parents are thus invited to make a voluntary contribution of **£5.00** for this exciting experience. Please could you ensure that this is returned to school, along with the permission slip at the bottom of this letter, before **Wednesday 9<sup>th</sup> October**. Many thanks.

Yours sincerely,

Mrs Wright  
Woodpeckers  
Gedney

Miss Fullard  
Eagles  
Gedney

Miss Pattern  
Penguins  
Lutton

---

I give consent for \_\_\_\_\_ to attend the Lego experience on  
Thursday 17<sup>th</sup> October  
I enclose a voluntary contribution of £5.00.

Signed: \_\_\_\_\_

Date: \_\_\_\_\_
